

DANCE TO THE MUSIC

Featured Volunteer Group:
Kibler Dance Academy

Kibler Dance Academy with teams Clover, Orange Sherbet, Yellow Suns, and Purple Pegasus

On Saturday, February 2, our pals from Kibler Dance Academy came out to YC for the second year in a row for a fun-filled day of dance, exercise, and a little friendly competition. KDA, just one of our many WOO-nderful volunteer groups, has been providing quality instruction to dancers in Hudson and the surrounding area for 15 years.

The program started off with a stellar performance by the 29 talented student dancers. Participants and volunteers then split up into teams to learn two dances. KDA students choreographed unique routines for each group and adapted the moves so that all dancers had a chance to shine. Everyone got to add their own freestyle flair and show off their creativity with colorful team names and cheers. The day culminated in a head-to-head dance-off where each team performed their choreographed routines. The competition was close, but in the end, Team Purple Pegasus came out on top! Multiple participants also won shining star awards for their outstanding enthusiasm and killer dance moves. And no Day of Dance would be complete without a spontaneous *DANCE PARTY* to finish!

A big thank you to the spectacular ladies of KDA who put so much hard work, time, and energy into this VAN-tastic program! The YC Gang thoroughly enjoyed moving and grooving and we can't wait to boogie down with our KDA friends next year!

It is with a heavy heart that we say goodbye to our dear friend and YC participant, Myles Ketterer, who passed away suddenly this March.

Myles, a junior at Strongsville High School, had been involved with YC since 2010 and came to countless programs. Among his favorites were basketball (where he'd shoot hoops like a boss) and swimming (where he'd splash his friends with a fake sneeze). Myles had a smile that could light up a room and he always left his YC teammates and volunteer

partners laughing. He and his family were champions for YC, helping raise thousands of dollars over the years through raffle tickets and fundraising support.

While his passing was unexpected, his family and extended YC family will always remember the happy young man Myles was.
